

# Sixth Pan-Pacific Nursing Conference and First Colloquium on Chronic Illness Care

2-4 March 2016

The Nethersole School of Nursing, Faculty of Medicine  
The Chinese University of Hong Kong, Hong Kong

## General Arrangements for the Conference on Approach of Typhoons and Rainstorms

When the Hong Kong Observatory announces that Tropical Cyclone Warning Signal No. 8 or above or Black Rainstorm Warning Signal is issued, the arrangements for the conference will be as follows:

### Day 1: 2 March 2016 (Wednesday)

| Signal in force at or after | Session/Activity cancelled      |
|-----------------------------|---------------------------------|
| 10:30                       | Afternoon session (12:30-18:15) |

### Day 2: 3 March 2016 (Thursday)

| Signal in force at or after | Session/Activity cancelled      |
|-----------------------------|---------------------------------|
| 05:30                       | Morning session (07:45-13:00)   |
| 11:00                       | Afternoon session (13:00-17:00) |
| 15:30                       | Conference dinner (18:30-22:00) |

### Day 3: 4 March 2016 (Friday)

| Signal in force at or after | Session/Activity cancelled      |
|-----------------------------|---------------------------------|
| 05:30                       | Morning session (08:00-14:00)   |
| 11:00                       | Afternoon session (14:00-17:00) |

If the signal is issued after the commencement of the session/activity, the session/activity will continue as scheduled until further notice.

### Remarks:

1. Arrangements for conference on approach of typhoons and rainstorms will be announced via the conference website <http://www.nur.cuhk.edu.hk/conference>. Please visit the conference website regularly to get the updated information.
