CLINICAL NURSING PRACTICE

Clinical nursing practice is an integral part of the programme and is arranged in blocks of field practice. These blocks of clinical practice, both in hospital and clinical settings, constitute 25 per cent of the total number of contact hours that have been acquired in a variety of health and social care settings.

- Community centres
- Officer in charge
- Residential care homes for the aged
- General hospital nursing
- Operating theatres
- Medical and surgical wards
- Intensive care units, etc.

ELECTIVE COURSES
